

Gearbox unit suitable for Sundyne Pump Type LMV-331

Completely pre-assembled and test bench tested gearbox units from **sammler cs** suitable for Sundyne Pump type LMV-331 allow a quick and easy exchange of defective gearbox units on site. Downtime of the pump is reduced to a minimum. All **sammler cs** gearbox components meet the highest material and quality standards and are fully compatible with the Sundyne original gearbox parts. Upon returning the failed gearbox to **sammler cs** the customer gets a discount on the price of the new supplied unit.

All components such as gearbox housings, shafts, gears and bearings etc. are also available separately.
